## OBJECTIVE

Passionate and motivated Computer Science student with a strong foundation in web and Android development. Seeking an internship opportunity to apply my technical skills, problem-solving abilities, and innovative mindset in real-world projects.

## EDUCATION

 BSc. Honours in Computer Science  
Guru Ghasidas Central University  
 Expected Graduation: 2027  
 CGBSE Board

- 10th Grade: 97%
- 12th Grade: 80.08%

## TECHNICAL SKILLS

 Programming Languages: C, C++, Python, Java  
 Web Technologies: HTML, CSS, JavaScript  
 Development Areas: Web Development, Android Development

## PROJECTS

### Cow Conservation & Breeding Management App (Ongoing)

- Developing an app as part of the Google Solution Challenge Hackathon to raise awareness about cow breeding management.
- Features include education on government policies, socio-economic advantages, a semen bank, and a marketplace for farmers to buy/sell cows.

## EXPERIENCE

### Internship Manager

Bhujal Startup

- Managed internship programs and coordinated tasks between interns and project teams.
- Assisted in organizing and overseeing startup initiatives.

### Executive, Web and Android Development Team

Google Developers Group On Campus

- Collaborated with a team to develop and implement web and Android solutions.
- Engaged in technical discussions and contributed to community-driven projects.

## CERTIFICATIONS & ACHIEVEMENTS

 API Fundamentals Course: Completed a course on API fundamentals.  
 AI Study Jams: Hands-on learning sessions focused on AI fundamentals.  
 Google Solution Challenge Hackathon: Developing a project aimed at cow conservation and breeding management.
